NESTING DESK

DESCRIPTION

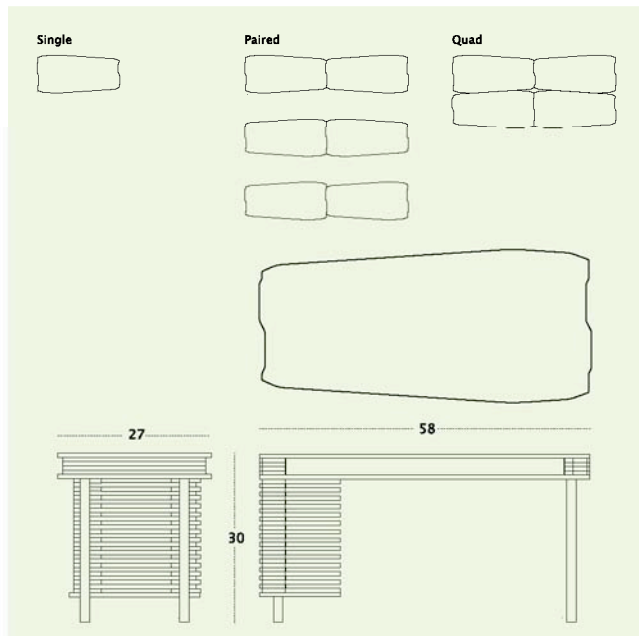

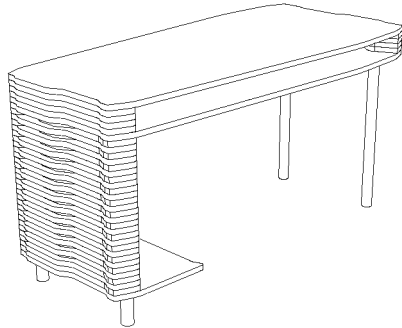

The Nesting Desk is a single workstation featuring a stacked unit that creates a screen to hide a desktop computer. Single desks can be combined to form larger work clusters. The desk is offered with or without the CPU screen. Options include an integrated screen and tack surface, and a sliding keyboard tray.

FINISH

Available in Natural or various wood veneers or colored plywoods. Finished in a water-based polyurethane.

MATERIALS

Natural Baltic Birch and/or FinnPly pre-finished plywood. Aluminum details.

72 North 15th Street, Brooklyn, NY 11222
